Mr. Andrew Cattano
Director
Children on the Green
50 South Park Place
Morristown, New Jersey 07960

To the Members of Children on the Green:

Congratulations on the 20th Anniversary of Children on the Green!

For 20 years, your organization and its members have supported the development of children of families in the greater Morristown area by offering a unique learning environment that caters to each child's individual needs.

Enclosed, please find an American flag and the certificate which notes that it has been flown over the United States Capitol at my request. I am pleased to know that you will treasure this flag and all that it represents to freedom-loving people around the world.

Please accept my congratulations on reaching this important milestone and my very best wishes for continued success in the years ahead!

Sincerely,

Rodney P. Frelinghuysen
